

The key to a healthy life

Natural Goodness...

Autarky is a **natural and healthy dog food** which has been formulated using a **holistic** approach, to ensure that your dog receives the correct nutrition for every stage of his life. Your dog will receive everything he needs to maintain peak physical condition, in our scrumptious **chicken** dinner. With added rice, herbs and vegetables **Autarky** benefits your dog in many ways, from helping him develop strong teeth and gums to the maintenance of his heart.

The unique **hypo-allergenic** recipe is **wheat gluten and soya free** and contains **no artificial preservatives, colours or flavours**. **Autarky** is protected by a natural antioxidant package containing vitamin C, mixed tocopherols and rosemary extract, which ensures his food is fresh every time he tucks in to eat.

Throughout Life...

Wanting your dog to be bright, alert and intelligent is common amongst dog owners and there are nutrients which help develop these characteristics early on in your dog's life and then maintain them as your dog grows older. The Autarky recipe is formulated with this in mind and consists of three life stage products, so that your dog can benefit from the correct natural nutrition throughout his life.

Puppy / Junior, Adult & Mature Lite

All three recipes are based on the same ingredients; allowing a simple switch for your dog from one product to the next. Autarky recipes are nutritionally balanced dinners providing correct levels of energy, protein, vitamins and minerals. Maximum taste is achieved through our choice of ingredients, creating a delicious flavour for your dog to enjoy time and time again.

Puppy / Junior

Autarky Puppy / Junior can be fed as soon as a puppy is accepting solid food and should be introduced gradually to puppies which have been fed a different diet before arriving at your home.

The appetising recipe has been formulated with the correct balance of minerals, energy, protein and trace nutrients to support your puppy's growth and development. The small bite sized pieces are ideal for small developing mouths and can be fed dry or moistened.

To help assist your puppy's intellectual progression Autarky is enriched with vitamin E, selenium, omega 3 fatty acids and taurine to help nutritionally support neural development.

Analysis:

Protein 28.0%, Oil 17.0%, Fibre 3.0%, Ash 8.0%, Vitamin A 15000iu/kg,
Vitamin D 1500iu/kg, Vitamin E (as alpha tocopherol acetate) 150mg/kg

Adult

As your dog enters adulthood his nutritional requirements will change, so at around 8-24 months depending on breed, we advise that you gradually move your dog on to Autarky Adult.

With all the natural goodness required to keep your adult dog fit and active, Autarky Adult has been formulated to promote overall health and well-being.

Correct nutrient balance supports:

- Oral hygiene, strong teeth and gums
- Heart function
- Immune system
- Muscle tone

Analysis:

Protein 22.0%, Oil 12.0%, Fibre 3.0%, Ash 6.5%, Vitamin A 15000iu/kg,
Vitamin D 1500iu/kg, Vitamin E (as alpha tocopherol acetate) 150mg/kg

Mature Lite

As your dog ages his nutritional requirements will change and we recommend that you consider changing to a diet specifically formulated for the older dog at about 7 years of age.

Autarky Mature Lite has been developed to give your senior dog everything he needs to remain fit and healthy. The delicious chicken recipe has a moderate calorie content suitable for the older dog which may be slowing down and doing less exercise and therefore prone to weight gain.
