Gelert Country Choice Original Tripe Mix with Chicken

Our "Original Formula" is made from pure green beef tripe. Green (Green simply means the tripe is pure and unbleached) Beef tripe contains all the partially digested grasses in a cow's stomach and is rich in digestive enzymes, essential fatty acids, taurine, amino acids and essential fatty acids and many other nutrients important to your dog's health. In Green tripe, all of these nutrients occur naturally, making them more valuable to your dog than they would be if they were from extracted sources.

Gelert Country Choice Tripe Mix is excellent for working dogs of all ages, breeds and sizes, Gelert CC has found great favour amongst Finicky eaters and those dogs with sensitive stomachs love the taste, puppies and young dogs will grow up strong and healthy.

Gelert Country Choice Tripe can be fed on its own or supplemented with a good quality complete dry food.

Gelert Country Choice Tripe provides: Cleaner teeth, a healthier digestive system, healthy skin and coat condition, a healthy and nutritious food for puppies, and a great food for those dogs with sensitive stomachs. A food your dog will love forever.
